Subject: Beer Manufacturers/Vendor Licenses

Good morning, everyone.

We are seeing more and more beer manufacturers who wish to have a vendor's license based on the tourism exception in the statutes. In an effort to keep everything consistent with these licenses for now, please ask your employees to forward all such applications to Rosalind here in Tallahassee. If an applicant has questions about the beer manufacturer/vendor licenses, please give them Rosalind's contact information also.

We appreciate your assistance with this particular license category.

Thanks.

~ Marie
